All proceeds support Lions programs, helping improve the quality of life in our communities, nation, and the world.

The Troy Lions Club is once again raffling a live mature bull buffalo guided hunting package on timbered acreage near Troy, Idaho! The package includes field dressing and all the parts: meat, head and hide. We even provide a commemorative coffee mug!

The winning ticket will be drawn December 31, 2009. The hunt can be scheduled for anytime in January 2010.

Why raffle a buffalo? The opportunity to hunt a mature one-ton bull buffalo is rare. A raffle provides the greatest economic return on the animal: the rancher receives fair market value, and Lions programs receive financial support funded by raffle proceeds.

Lions programs include sight, hearing, health screening, diabetes, disaster relief, guide dogs, CARE, academic scholarships, food and clothing banks, youth recreation, EMT training, 4H, FFA, Junior Miss, and many others.

Buy as many tickets as you like! Buffalo Raffle tickets are great gifts for everyone on your holiday shopping list!
